A new year brings with it a slew of restaurants slated to debut in metro Atlanta over the next 12 months. Here are a few we're particularly excited to see join the local dining scene.

Switchman Hall. Slated to open this spring, Switchman Hall food hall in the Terminal South development will bring more than 15 food stalls to Atlanta's Peoplestown neighborhood. Food hall tenants will include Life Bistro, Original Hot Dog Factory, Perfect Seasoning, Southern Grace, Tiger K Cup Bob, Sabu K Ramen and The Cream, along with dine-in concept Pur Zen Mimosa Wine Bar.
